Dear Author,

Your manuscript which you submitted to JPPI, has been reviewed.

We are pleased to announce that your article is being **considered** by JPPI Editors for further publication. At this stage, there are two aspects required from you:

- 1) You should make sure you do proof-reading effectively in order to produce a quality publication in JPPI. You may do proofreading and editing on SELECT (Semarang Language Consultant) (<http://select.or.id/>). Please indicate that you sent this article to JPPI while submitting your article to SELECT.
- 2) We encourage you to upload the similarity report of your article on your OJS account as a supplementary file. We are going to accept the article having a $\leq 20\%$ similarity rate. Please be aware of using trusted plagiarism/similarity checker applications such as Grammarly, Turnitin Premium, or others. Please avoid using the free application to make the results accountable. For your information, SELECT also provides this service. Thus, you may ask to have your manuscript checked by submitting it to the website.

Thank you for submitting your manuscript to Jurnal Pendidikan IPA Indonesia. The Editors of the JPPI are looking forward to your continued contributions to the Journal.

Best regards,

Title: Student's Creative Thinking Ability with The Lesson Study Design in Biology

Subtitle:

Abstract: with lesson study patterns for learning community, students were able to produce creative ideas with a moderate category that is above 50%, while for the low and high categories the gain was below 50% in creative thinking indicators namely fluency, flexibility, and originality. To get used to students getting used to creative thinking, it took exercises in the creative thinking process either in the form of essay questions, or tasks that are implemented during the learning process
