

ABSTRACT

Baiq Widia Parma Handayani. (2023). The Influence of the National Anthem on Character Building in Nationalism of Fifth Graders at MI NWDI 1 Kelayu for the Academic Year 2023/2024. PGSD, Faculty of Education, Hamzanwadi University.

This research aims to determine the influence of the National Song on the Character Building in Nationalism of Fifth Graders at MI NWDI 1 Kelayu for the Academic Year 2023/2024. The type of research used was descriptive quantitative research. The population in this study used one class with a sample of 27 students. Data collection techniques used interviews, questionnaires, and documentation. The data analysis technique used in this research was the analysis prerequisite test using the normality test, linearity test and hypothesis test. Normality test using Kolmogorov Smirnov, linearity test was using simple linear regression analysis and hypothesis testing using the t-test with a significance level of 0.05. Based on calculations for hypothesis testing, the influence of National Songs on the Character Building in Nationalism contributed 37.9% with t-count = 3.909 and a significant value of 0.01. Meanwhile, 62.1% was influenced by other variables outside this research. Therefore, it can be concluded that there was an influence of the National Song on the Character Building in Nationalism of Fifth Graders at MI NWDI 1 Kelayu for the Academic Year 2023/2024.

Keywords: *National Song, Character of Nationalism*
