

## ABSTRACT

**Ahmad Wahyudi, 170102143. "The Influence of Monopoly Media on Student Learning Outcomes in Grade 5 Theme 3 Regarding the Cultural Diversity of My Nation at SDN 2 Suradadi TA. 2022/2023". Thesis: Primary School Teacher Education (PGSD), Hamzanwadi University 2022/2023.**

Education is a quantitative research with experimental research methods. the sampling technique used saturated sampling because all members of the population were used as samples. The research design used is one group retest posttest design. Data were collected with those given at the aw as the pretest and at the end of the study as the posttest. The data collection instrument was using multiple choice test questions to measure student learning outcomes in the form of 15 questions and the data analyzed were pretest and posttest scores using rehabilitation, validity, normality test using the F test and hypothesis testing using the T test. calculation results show that "Ho" is accepted and "Ha" is rejected. Thus, there is a significant influence with the influence of monopoly media on student learning outcomes in grade 5 theme 3 about the cultural diversity of my nation at SDN 2 Suradadi TA. 2022/2023.

**Keywords: Monopoly Media, Learning Outcomes**
